## SCIENTIFIC COMMITTEE

**Jintanat Ananworanich, MD, PhD**  
U.S. Military HIV Research Program (MHRP), USA

**Zhiwei Chen, PhD, DVM**  
The University of Hong Kong, Hong Kong

**Jun Yong Choi, MD, PhD**  
Severance Hospital, Yonsei University College of Medicine, South Korea

**Chien-Ching Hung, MD, PhD**  
National Taiwan University Hospital, Taiwan

**Aikichi Iwamoto, MD, DMSci**  
Japan Agency for Medical Research and Development, Japan

**Adeeba Kamarulzaman, MBBS, FRACP**  
University Malaya, Malaysia

**Thana Khawcharoenporn, MD, MSc**  
Thammasat University, Thailand

**Saye Khoo, MD, PhD**  
University of Liverpool, UK

**N. Kumarasamy, MD, PhD**  
YRG CARE Medical Centre, India

**Thuy Le, MD**  
The Wellcome Trust Major Overseas Programme, Oxford University Clinical Research Unit, Vietnam

**Christopher Lee, MBBS, MRCP, FRCP**  
Hospital Sungai Buloh, Malaysia

**Man-Po Lee, MBBS, MSc, FHKCP, FHKAM, FRCP**  
Queen Elizabeth Hospital, Hong Kong

**Nelson Lee, MBBS, MD, FRCP, FHKCP, FHKAM**  
Prince of Wales Hospital, The Chinese University of Hong Kong, Hong Kong

**Hsi-Hsun Lin, MD, PhD**  
E-Da Hospital, I-Shou University, Taiwan

**Hongzhou Lu, MD, PhD**  
Shanghai Public Health Clinical Center, Fudan University, China

**Tuti Parwati Merati, MD, PhD**  
Udayana University, Sanglah Hospital, Bali, Indonesia

**Nguyen Thi Lan Anh, MD, PhD**  
National Institute of Hygiene and Epidemiology, Vietnam

**Nguyen Van Kinh, MD**  
National Hospital of Tropical Diseases, Vietnam

**Shinichi Oka, MD, PhD**  
National Center for Global Health and Medicine, Japan

**Kiat Ruxrungtham, MD**  
Chulalongkorn University, Thailand

**Somnuek Sungkanuparph, MD**  
Faculty of Medicine Ramathibodi Hospital, Mahidol University, Thailand

**Akifumi Takaori-Kondo, MD, PhD**  
Kyoto University, Japan

**Owen Tsang, MBChB, MRCP, FHKCP, FHKAM, MTH, DTM&H, MSc, LSHTM, FRCP**  
Hospital Authority Infectious Disease Centre, Princess Margaret Hospital, Hong Kong

## WHO SHOULD ATTEND?

- Medical professionals involved in daily care of individuals infected with HIV and HIV-HCV, HIV-HBV, HIV-TB and other HIV co-infections
- Clinical, translational and basic researchers, physicians, general practitioners, nurses
- Residents, Post-graduates and PhD students
- Government agency personnel, NGO representatives, Health authority personnel
- Industry representatives
- Social workers, advocates and community workers
- Other healthcare professionals involved in treating HIV and co-infected patients

**Registration and information:**  
**[www.apacc2016.org](http://www.apacc2016.org)**

## WHAT TO EXPECT?

- State-of-the-art plenary lectures
- Parallel sessions on diverse topics
- Abstract driven presentations
- Poster viewing sessions
- Clinical case discussions
- Roundtable discussions
- Debates on controversial issues
- Meet the professor session
- Research skills training
- Social networking sessions

## WHY SHOULD YOU ATTEND?

After attending the meeting, you will:

- Have a thorough knowledge of the latest developments regarding treatment strategies for HIV and co-infected patients
- Be able to integrate the best practice based on the available resources in the region into daily clinical care to improve the quality of life of HIV and co-infected individuals

*Free registration for young investigators with accepted abstracts!*

## KEY TOPICS

- Diagnostics
- From Care to Cure
- Co-morbidities
- ART: What/When to Start?
- Novel HIV Therapeutics
- Prevention Strategies (anti-viral/ biomedical)
- Co-infections with HBV
- Co-infection with HCV
- Co-infection with TB
- Drug Resistance
- Stigma Issues Related HIV Status
- Cost-Effectiveness of the HIV Response
- Evolving Drug Policy and the HIV Epidemic
- How to End the HIV Epidemic: Asian Community Perspectives
